NUREDIN KEDIR

Addis Ababa, Ethiopia | +251 919 213 228 | nuredinkedir@email.com
GitHub: github.com/yourusername | LinkedIn: linkedin.com/in/yourusername

PROFESSIONAL SUMMARY

Computer Science student with hands-on experience in full-stack web development, Android application development, and database-driven systems. Proficient in Python, Java, Kotlin, PHP, C++, JavaScript, HTML/CSS, and MySQL. Experienced in developing practical software solutions including clinic management systems, multi-school web platforms, and mobile applications. Strong interest in software engineering, automation, and scalable technology solutions.

EDUCATION

Werabe University Werabe, Ethiopia
B.Sc. in Computer Science Expected Graduation: 2027
Cumulative GPA: **3.52 / 4.00**

TECHNICAL PROJECTS

Clinic Management System *Werabe University*

- Developed a web-based clinic management system using PHP and MySQL to manage student appointments, medical history, and administrative workflows.
- Designed a centralized database structure for organizing clinic records and improving information management.
- Applied database-driven web development principles to build a structured and maintainable management solution.

Technologies: PHP, MySQL, HTML/CSS, JavaScript

Welene Secondary Schools Website Platform

- Designed and developed a unified web platform intended to support six secondary schools within the local district.
- Built responsive user interfaces using HTML, CSS, and JavaScript.
- Integrated PHP and MySQL to provide dynamic, database-driven website functionality.

Technologies: HTML, CSS, JavaScript, PHP, MySQL

Islamic Audio Player Mobile App

- Developed an Android application for audio playback, media-library navigation, and streaming of Islamic content.
- Implemented core mobile functionality using Kotlin/Java with an emphasis on simple and accessible media navigation.

Technologies: Kotlin, Java, Android

TECHNICAL SKILLS

Languages: Python, Java, Kotlin, PHP, C++, JavaScript, HTML/CSS
Web & Mobile: Full-Stack Web Development, Android Development, Responsive Web Design
Databases: MySQL
Tools: Git, GitHub, VS Code, NetBeans [08/08/2026 20:20] Nuredin:

CERTIFICATIONS & TRAINING

- Project Mercy IT Training Certification
- 5 Million Ethio Coders Initiative — Completed 4 Specialized Courses
